Payment Plan Information

CONFIDENT • REFRESHED • NATURAL

Hydrafacial medical facials are the perfect way to revitalise your skin, helping you to achieve brighter, smoother, healthy, radiant, glowing skin.

At Cosmetier, we are offering several payment plan packages to help you get the most out of your HydraFacial experience.

Payment plans are available as a 6-month or 12-month instalment plan.

The packages all include the benefits of a HydraFacial, however, there is the option to add boosters to your treatment or upgrade to the Ultimate session for additional booster and PERK eye/ lip treatments.

In this document you will find the steps you need to take to get started with the HydraFacial Treatment Payment Plan here at Cosmetier.

STEP 1 Decide which of treatment plan you would like for your skin.

Do I need a booster?

The eight stages (Detoxification, Deep Cleanse/Exfoliation, Peel, Extraction, Antioxidants, LED Recovery and Protection) is our standard platinum treatment, even though some clinics may choose to omit steps. There is a science behind all these steps and each individual stage has an accumulative effect on your skin.

So, ultimately your skin feels clean and smooth and looks brighter.

All skin can benefit from a specific skin booster and for some skin conditions, it may be an integral and essential part of their treatment.

Anti-Ageing boosters could help strengthen the collagen and soften your lines and wrinkles, for instance in your forehead and around your eye or help to retexture and refine all over. Other boosters could boost your skin's hydration or address other conditions such as hyperpigmentation or inflammation. We also have a retinol booster which can help cell turnover and tighten your skin, leaving a glowing and radiant feel for longer.

If you are on the **Platinum Personalised** programme, you may have different boosters depending on which your skin most needs at your appointment.

On this **Platinum Personalised plan**, you can choose to have a PERK eye or lip treatment instead of the additional booster. The PERK treatment includes an additional treatment around the eye or lip area and includes a hydrating, replenishing serum for that area to continue at home for 4 weeks.

The **Ultimate Plan** includes all the steps within the platinum and platinum personalised plans and an additional PERK or booster treatment.

Each of the yearly plans come with a free full-size AlumierMD Post-procedure pack including Sensicalm Cleanser, Recovery Balm and Sheer Hydration SPF.

DEPOSIT PAYMENT

Please pay the appropriate deposit to:
Account no: 29839999
Sort code: 230580
Use your name with HF as a reference.

GoCardless Direct Debit

Please set up your GoCardless monthly Direct debit before your first treatment is booked, this can be done by clicking the appropriate buttons in the previous table, if the button doesn't work please copy and paste the link in your browser. This will be taken over 6 or 12 months unless you want your final treatment before the final payment is taken. If that is the case, we can alter the payments at that time accordingly.

You can use the links above to set this up. Ask if you are unsure.

Terms and conditions

- If you choose to use the post-procedure products as part of a daily regime resulting in them finishing prior to having completed the 12th treatment, you will need to repurchase these as they are essential post-treatment.
- AlumierMD full-size bottle is free while stocks last.
- The monthly plan costs are based on 5 or 9 sessions, but the payment plan is based on 6 or 12 monthly payments and the deposit. The 6th or 12th payment must have been paid before the 6th or 12th treatment.

If you're at all unsure just drop me an email and I can guide you as to any questions you might have. Thanks a lot.

Take care,
Dr Sharma
