CONFIDENT • REFRESHED • NATURAL

Hydrafacial medical facials are the perfect way to revitalise your skin, helping you to achieve brighter, smoother, healthy, radiant, glowing skin.

At Cosmetier, we are offering several payment plan packages to help you get the most out of your HydraFacial experience.

Payment plans are available as a 6-month or 12-month instalment plan.

The packages all include the benefits of a HydraFacial, however, there is the option to add boosters to your treatment or upgrade to the Ultimate session for additional booster and PERK eye/ lip treatments.

Do I need a booster?

The eight stages (Detoxification, Deep Cleanse/Exfoliation, Peel, Extraction, Antioxidants, LED Recovery and Protection) is our standard platinum treatment, even though some clinics may choose to omit steps. There is a science behind all these steps and each individual stage has an accumulative effect on your skin.

So, ultimately your skin feels clean and smooth and looks brighter.

All skin can benefit from a specific skin booster and for some skin conditions, it may be an integral and essential part of their treatment.

Anti-Ageing boosters could help strengthen the collagen and soften your lines and wrinkles, for instance in your forehead and around your eye or help to retexture and refine all over. Other boosters could boost your skin's hydration or address other conditions such as hyperpigmentation or inflammation. We also have a retinol booster which can help cell turnover and tighten your skin, leaving a glowing and radiant feel for longer.

If you are on the **Platinum Personalised** programme, you can choose from either a Face and Neck Hydrafacial treatment or you can have a face Hydrafacial treatment with a skin booster depending on what your skin needs.

The **Ultimate Plan** includes all the steps within the platinum and platinum personalised plans. With the ultimate plan you can have Face and Neck as well as a booster or a PERK treatment.

If that is the case, we can alter the payments at that time accordingly. Please email me directly if you are unsure.

Terms and conditions

- The monthly plan costs are based on a course of 5 or 9 sessions, but the payment plan is based on 6 or 12 monthly payments and the deposit. The 6th or 12th payment must have been paid before the 6th or 12th treatment.

If you're at all unsure just drop me an email and I can guide you as to any questions you might have. Thanks a lot.

Take care,
Dr Sharma
